“ This great man was so much more than a brother in law to me. He was a loving man with a generous heart. He was always there to lend a helping hand. Everyone loved him and saw a man always willing to give a helping hand. Rest In Peace brother until we meet again in the loving arms of our Heavenly Father.

“ I had the pleasure of working for Leon many years. He was a great boss and friend. A thoughtful man and his sense of humor was like no other. Most of all I remember his love for his family and his dogs. He will never be forgotten. May God comfort Dotty and the family at this difficult time. May the love of friends and family around you, lift you up and help you through each day. With deepest sympathy for your loss.
