“ *I was so surprised and saddened when I learned of Cecile's passing. She provided a fun, loving, safe day care for my two children. I would often speak of her sweet, kind nature and how blessed I was to have crossed her path. I thought of Cecile and her family as friends and always enjoy seeing them around town. Please know during this difficult time you are on my mind, in my heart, and especially in my prayers. Terri Malonson*
