“ Betsy, Shane, and Mindy

Please accept my sincere sympathy for your loss.

All of my best memories of him are of his smile and silly jokes and pranks. I can't think of a time we were together with the family that he didn't make me smile or laugh out loud.

I wish that I could be with you to hug each of you and spend time remembering Jessie as the warm-hearted, fun-loving guy that he was.

Love,
Kathy Brown Sedgwick

“ My deepest sympathy to all of Jessie's family. My heart is sad to hear of his passing. I have known him since he was a little boy. He was so sweet and always said " How Are You Darling. I know he was loved by many. I pray God to comfort and wrap his arms around you as you face the days ahead.

Cherish all the precious memories and he will always be with you, just out of sight.

With love,
