“ I was so sad to hear of Beth’s passing. We spent many mornings together in home room preparing for our days at Gloucester High School. She was such a wonderfully fun gal and always ready with a smile and a laugh. Each time we crossed paths it was like no time had passed and we laughed and parted ways better for having seen each other. Dickie, Ann and David, I trust your memories of Beth will uplift you in the days to come. Her smile was unforgettable.

“ I have so many great memories of growing up with my cousin Beth. She and my sister Jane were best buds, and they had a grand time getting into trouble together. I was the “goody two-shoes” and pretty much followed the rules. I loved threatening to tattle on them and they loved to give me a hard time about it. I’m not sure how they made it through high school in one piece, but they did. I know Beth loved her son Neil and all her family dearly. I also know that when she got to the pearly gates, Aunt Lucille and Uncle Bob were there to say welcome home - and I know Bob had a batch of his world famous fried chicken ready for dinner. Love to all of you: Neil, Anne, David and Dickie and families. You’re in my prayers. Betsy Lewis McNiel

“ When I moved to Gloucester in 1970 Beth was one of the first people I met. We graduated in 1973 and have been friends ever since. My heart is filled with sadness. My deepest of sympathy goes out to Neil and the entire family. No one knows why bad things happen to those so precious to us. May the memories of Beth sustain and strengthen you as you navigate the difficult day ahead.

“ Growing up, Gloucester Point was always my second home, filled with the most fun times and fond summer memories with Aunt Cece, Uncle Bob, and my cousins. Whether trips to the beach, flashlight tag and kickball in the yard or the best seafood dinners around the kitchen table..... Beth's smile and personality always kept us all laughing. My heart goes out to her family there at this time of incredible sadness and loss.

Love to all from Patsy

“ I went to high school with Beth and she was a beautiful outgoing person and will be truly missed by her friends and the Gloucester High School class of 1973. God bless you all during this time and I am praying the family.
