“ I'll always remember Seymour as one of the "Caravaners" who came to St. Pauls Presbyterian Church in Ocoee each fall. Seymour sang in the choir when she was in Florida for the winter, and was always there when I put out a call for folks to help with craft projects--whether sewing dresses for little girls in a local elementary school, or hundreds of stockings for Christmas for the children of clients of Bread of Life's Mascotte Mission. We kept in touch over the years, but not as much as we probably should have. She will always remain in my heart, though, as a talented and caring lady. Hugs and blessings to her family.....
