“ I’m so sorry to hear of your loss. You and your family are in my prayers. Dicky Clements

“ Roddy and I have so many great memories of David and Peggy that would fill a book! All the "coming of age" times we shared! David was a great friend, a great husband, a great father and a great grandfather! We're so glad we knew him and have the memories to keep him in our hearts forever. We want to let his family know that they're in our thoughts and prayers. Keep the memories alive and he'll always be with you. Love to you Peggy, your girls and grandchildren.
