October 10, 1945 - October 29, 2019

On Tuesday, October 29, 2019, Rebecca Kathryn Fox, age 74, was peacefully received into the loving arms of our Savior at her home in Ponte Vedra, Florida. Becky was born on October 10, 1945, in Asheville, NC to the late Welzie Riddle, Jr., and Cora Kathryn Watson Riddle, and grew up in Burnsville, NC. Upon graduation from East Yancey High School, she attended Eastern Tennessee State University and later became a beautician. She married Larry Fox and moved to Newport News. Shortly after their move, Becky began a career with Tidewater Telephone Company, later known as Verizon, and stayed with the company until retirement. Together with her husband Larry, they built a life that included their cherished daughter Laura and many beloved friends. Becky and her family enjoyed many years of entertaining, fishing, and back porch sitting at their beautiful waterfront home constructed by Larry in Gloucester Point. Late in life, Becky moved to Ponte Vedra, Florida, and enjoyed her grandkids. She will be deeply missed by everyone. Daughter Angela Fox and a sister Evelyn Riddle Hamilton preceded her in death. She is survived by her faithful and loving husband and caretaker of 52 years Larry Fox, daughter Laura Fox Worrell (Donnie), grandchildren Margaret and Carter Worrell, and her sister Margaret Riddle Young (Bobby). The family will receive friends on Saturday, November 2, 2019, from 12:00 until 2:00 p.m. at Severn Church 9066 Robins Neck Road, Gloucester, Virginia 23061, followed by a 2:00 funeral service officiated by the Reverend Bill West, with interment in Rosewell Memorial Garden Cemetery. “ Becky worked with my husband, Larry Turner, as an inspector for Verizon in Warsaw, VA. She was such a sweet person and was always assuring me that I had nothing to worry about when she was spending a great deal of the day riding around with my husband. And I knew that I didn't. I especially appreciated that she brought us fish that her husband had caught that came cleaned, deboned and ready to cook. Larry and I enjoyed many a meal provided by them. I loved her accent and it was so delightful to hear her talk. Larry has been gone for a number of years but I know that he would say that he shared a great friendship with her as a fellow employee. “ Hands down, Linda and my sweetest childhood memories revolve around time spent with our cousins, Rebecca (Beppa) and Margaret. The digital age had not arrived, but we had no trouble entertaining ourselves, and any willing audience, by putting on plays and productions, usually directed by Beppa. Rebecca was an unlimited source of new games, songs, and adventures for the four of us. We all followed her without question, even knowing that our fun might occasionally end in a grounding, or worse. For the most part, we came out unscathed and richer for the experience. Sadly our adult years separated us physically, with only the occasional family gathering, but the love and the memories remained sound. So comforted to know that sweet Beppa is at peace, and so blessed to have shared so many joyful childhood experiences with her. Love and comfort to Larry, Margaret and Bobby, and Laura. Rest In Peace sweet playmate.

“ If you were lucky enough to have Becky as a friend then you were truly fortunate. She had that rare ability to make everyone feel that they were her best friend — kind, compassionate, fun and fun-loving. Thinking of her will always put a smile on my face. She was special and I will always miss her.
