“ Louise, I was so very sorry to hear of Butch's passing. My heart breaks for you and I know how you are feeling. Your grief will ease as time passes. It's been 6 years since Freddie passed and each day is easier than the last. The pictures of the family are lovely and you can see how much he enjoyed his family, and you are just as beautiful as always. Please give my condolences to the rest of the family and God bless you all.

“ Butch could always be counted on for a smile and sweet greeting when he manned the gates at the shipyard. The love he shared with his family and siblings was always evident. BJ I know your heart is breaking as I'm sure is the case with the whole family. My condolences to you all.
