“ Warren was a great man! A memory of him I will never forget is from May 2019. He was in a light tan suit at the ROTY's and he looked dashing. I also have a memory of him greeting me in Big Bob's Flooring.

“ I remember listening to Warren speak many times at L.D. Brinkman sales events. He was a gifted man , and through him I was introduced to Host Carpet Cleaning, and through them I learned about Danish Kringles. My sincere condolences to his family and closest friends. John Thompson Shaw Industries

“ I'm so sorry for your families loss, Warren meant a great deal to me in the short 2 years I've known him... He always appreciated the dresses I wore to the lodge after coming from work. He was a wise but stern man, but he had a heart of gold. He will surely be missed!!
